St George's Junior School

'Working in partnership to educate, nurture and empower'

Woodfield Infants and St George's Junior Schools Remember

At 11:00am this morning, both schools came together on the large playground to participate in a joint assembly in honour of Remembrance Day. The pupils were a credit to the schools as they listened attentively to Mrs Richardson perform 'The Last Post' and Reveille' on the flugel horn. All children and staff participated respectfully during the moment of silence and following this, several pupils from both schools read the poems they had created inspired by 'In Flanders Fields'. Pupils reflected on the importance of the poppy as a symbol of remembrance of those who have suffered or lost their lives to war, and as the representation of hope for the future.

I would like to take this opportunity to thank all the members of our school communities who have purchased merchandise and contributed to the donations for The Royal British Legion. A special thank-you to Mrs Richardson for the musical contributions during our Remembrance Assembly, the school office staff for the sale of the merchandise and the pupils for their creative and aesthetic contributions.

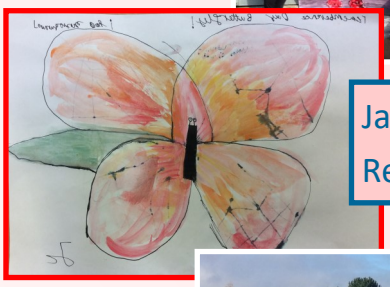

We hope you enjoy seeing some photographs of the morning.
