Safeguarding Board Minutes:

Date: 17.01.2022 3:30-4:20pm

1. Mrs Silcock welcomed everyone to this week's meeting and shared successes for last week.
2. Mrs Silcock explained that today, they would be put into two groups to make two different PowerPoints. One for Internet Safety Day (8th February) and the second about Friendships.
3. All of the Safe Guarders went outside to look at the friendship stop to: know where it is, to discuss whether it was appropriately placed and to include it in the PowerPoint.
4. It was asked whether the stop could be moved as it was where most year groups play football and at the moment, isn't being used because maybe it is in a place people don't want to go too.
5. Everyone came back inside and discussed what to put on each of the PowerPoints.
6. Two groups were made and the Safe Guarders began their PowerPoints.
7. The Friendship PowerPoint was give the 'Jumping Jaxx' folder to look through and find any games they could promote around school. These have been post-it noted for next week to include in the PowerPoint.

Next steps:

- Email whether the Friendship Stop could be moved to a more appropriate place.
- To continue with the two PowerPoints, share with everyone and then to each class- this may take another two weeks.
