Safeguarding Board Minutes:

Date: 09.05.22 3:30-4:20pm

- Safeguarders watched the BSL video that they had created. They were happy for it and decided that teachers would be emailed to watch it over the next three weeks before half term.
- School Council had looked at the home school agreement and asked the Safeguarders to do the same. Pupils discussed what they thought about it and suggested signing it each year in September to remind themselves. Mrs Silcock and Miss McDonnell to speak to Mrs Lee.
- Miss McDonnell and Mrs Silcock shared the school's behaviour policy with the safeguarders. They went through the policy to discuss points and how to change it to make a child friendly policy. Notes were made and shared with Mrs Lee.

Next steps:

- Miss McDonnell and Mrs Silcock to share BSL video with staff via email.
- A child friendly behaviour policy to be created and shared with safeguarders next week.
- Posters need to be made about bullying and key vocabulary to promote terminology and understanding.
