Dear Parent/carer,

This term the School and the PTFA have decided to participate in a 'Christmas Design Project' run by Cauliflower Cards.

Your child has brought home with them today an Artwork form on which to create a design which can be professionally printed to produce personalised Christmas cards, gift labels, wrapping paper, notebooks and mugs.

Should you wish your child to create a design please follow the guidelines printed on the Artwork form.

Please note designs can be done directly onto the form or separately on A4 paper which must be glued onto the form. They can be landscape or portrait but the orientation must be indicated by circling the Christmas tree at the top of the form.

Bold and bright designs, using felt tips or paints, that fill the paper produce the best effect. Large areas of white background are less effective. Ensure that any writing is large enough to be readable when it is scaled down to A6 size cards.

Please take care not to fold or crease the artwork as this may show on the finished products.

Orders and payments must be made online using the unique code located at the top of the Artwork form. Please refer to your order form for further instructions. Please ensure you take reference of the code before returning the form to school in case of any problems.

All artwork to be returned to the school by **Wednesday 12th October.**

We look forward to seeing some artistic designs!

Yours faithfully,

PTFA
