Dear Parent/Carer,

I am pleased to welcome you all back into autumn term. Pupils have had a very settled introduction back into school and have shown fantastic behaviours and attitudes to learning.

Working in partnership

Teachers update the website regularly to showcase examples of the work that happens in each year group, and across the school. We are proud of our curriculum, and the team at St. George's work hard to ensure they captivate interest and pupils have memorable learning experiences. Please use the website to get an additional overview of what happens in school.

In working in partnership with parents, we would like to invite parents to the following dates for class assemblies. This is an opportunity for your children to share with family members the work that has taken place in school.

Parents evening

During the autumn term, we would like to invite you into school to have a parental consultation with your child's class teacher. The dates for this will be on 7th and 9th November. Further communication from the office will be sent to explain the arrangements and booking for this.

In the meantime, if you have any questions or concerns, please don't hesitate to contact your child's class teacher who will be happy to discuss this with you.

Yours faithfully

Mrs K Lee
