Dear Parent/Carer,

As part of the Year 4 topic '*Ancient Greeks*', pupils will be participating in a walk around Shrewsbury town centre. The walk will allow the pupils to investigate the influence of ancient Greek designs on architecture within Shrewsbury. During the trip, pupils will visit landmarks and find out about their historical significance; as well as identify specific building types and sketch them with a focus on symmetry, pattern and shape.

We will be leaving school after the morning register and will be back in time for lunch. Pupils will need to wear their full school uniform and order lunches as normal on the day. As we will be outside for the morning, pupils will require coats and possibly hats and gloves (weather dependent).

The dates for each class are as follows:
Corndon – Tuesday 1st November
Ercall – Wednesday 2nd November
Lawley – Thursday 3rd November

There will be no PE on these days. If your child has a club after school, they can bring their kit in a separate bag and change in the afternoon.

Please complete the link below by Thursday 20th October to give your child permission to attend this trip

We look forward to sharing the pupils learning experiences around this trip via our school website.

Yours faithfully
