

Let's keep kids safe online

The online world is an important part of kids' lives nowadays. It's an exciting place for them to explore, with all sorts of fun and educational stuff to discover, but there can be some risks too.

'Keeping children safe online' will teach you how to help kids explore their favourite apps, games and sites safely. Our workshop will:

- help you understand how children experience the online world
- show you resources and tools that could help keep them safe
- empower you to guide them on their journey.

Date: Tuesday 25th April 2023

Time: 9-10am

Location: St George's Junior School
