Safeguarding Board Minutes:

Date: 26.09.22 3:30-4:20pm

- Safeguarders went through Visitors Safeguarding leaflet, made some changes and sent it to Mrs Lee.
- Safeguarders discussed different activities that they could play on the adventure playground each Friday PM break. Three games were decided: Mr Muddle, The Detective and Hunt the Beanbag. Photocopies of the games were created and will be laminated and put on the adventure playgrounds to help safeguarders and play ground buddies.
- Safeguarders were asked to speak to their class playground buddy and teach them the new games.
- An email was sent to teachers to let staff know about playground rota changes on a Friday and to encourage participate with the rest of the class.

Next steps:

- Laminate games and have them ready for Friday on each adventure playground
- A list of playground buddies to be collected
- Choose a new game next week and feedback how the first playground buddy went
- Safeguarder to create year group bags of equipment to go outside with and share with the year groups.
