- Safeguarders reported how their first Friday playground buddy games session went. Positive feedback but Year 5 and 6 children were not as involved. PowerPoint to be shown to children once finished to help promote.
- Safeguarders discussed the 4 main types of bullying: cyber-bullying, physical, verbal, indirect. They create an acronym to help remember: C-VIP.
- During this session, two safeguarders continued work on Playground Buddies PPT, another two on Introducing Safeguarders and the other four took a type of bullying to create a slide. All will be eventually shared when complete to the rest of the school.
