Playground Buddies.

Here is some information that you will need to know about why we have playground buddies and what we do.

What we do.

Every Friday at lunch or afternoon break, we meet in the adventure playground to play games and **not to play on the equipment.**

There will be both playground buddies and safeguarders out on the playground at all times. We wear hats to show who we are.

You need to always check the friendship stop if any one is there and make sure they're feeling okay.

How To Play The Games.

How to play hunt the bean bag

The group of 10 form a circle, one child is 'on' and sits in the middle. The child in the middle has to try and find the beanbag which 1 of the 9 hide.

How to play Mr. Muddle.get muddled up. Pick someone to say Mr. Muddle we're in trouble and when they say that you try to untangle yourselves.

How to play detectives

You can have as many players as you like. You will need to pick someone to be the detective they also pick a leader by tapping them on the head.

The leader does an action and the rest have to copy. The detective tries to guess who the leader is they have 5 tries but if it's too easy they change the amount of guesses.

Friendship Stop

- The friendship stop is a sign where children will stand if they need someone to play with or if something is worrying them.
- If you are lonely then go to the friendship stop.
- If you see someone at the friendship stop then you can ask them if they're ok or a Safe Guarder will come and check on you.
- If you're at the friendship stop for a while try and find a Safe Guarder/playground buddy and they will help you and if you can't find a Safe Guarder then ask someone if you can join their game.

What you can do

- Be kind and polite.
- Always show respect to others and the equipment.
- If you see anyone at the stop, you should always check on them.
- Follow the 3 values and the St George's Way: respect, responsibility and hardworking.
