16th March 2023

Dear Parent/Carer

Black Country Living Museum- Wednesday 17th May 2023

We have managed to re-arrange the above trip for 17th May.

As part our Victorian topic, Year 6 will visit the Black Country Living Museum. During the visit, the children will become history detectives where they will investigate the lives of children, living during this period. They will explore 300 years of history at the Open Air Museum, helping them put history into context, through a unique and immersive learning experience. During the visit, the children will explore the harsh and dangerous working conditions and the development of industry in the local area around this time period.

The children will be picked up by coach at **9:00am** from St George's and return to school at **3:20pm**.

In order to run this activity, we have to raise the cost of the visit, the coach fare and insurance. This will cost £17.50 per child, please pay on Arbor, by Friday 31st March. We believe this will be a very worthwhile school visit. Under the requirements of the Education Reform Act 1988, we can only raise the cost of this activity by voluntary contributions. There is no obligation to contribute and children will not be treated differently according to whether or not any contribution has been made. However; if we do not raise the necessary funds, this trip may not be able to go ahead.

If this trip is not showing on your Arbor, it means you have already paid. Thank you

Please ensure that your child is in school for **8:40am** to leave promptly at 9:00am in full school uniform. The museum is positioned outside, and we may experience wet weather - children will need to come with waterproof coats. Children will also need shoes suitable for walking around the museum. They will need to bring a packed lunch - no fizzy drinks, sweets, or chocolate. We will aim to be back by 3.20pm.

All consents have already been received.

Yours faithfully

C Pearce
