Safeguarding Board Minutes

Date: 12.06.23-26.06.23 3:30-4:20pm

- First, the Safe Guarder's brainstormed what we have covered this year. We noticed we have done a lot on bullying so wanted this to be the focus of our questionnaire.
- Then, each Safe Guarder typed up 10 questions that they wanted to be in the questionnaire.
- After, collaboratively, they decided on which were the finalised 10 questions for the questionnaire.
- We also emailed Miss Worley and Mrs Lee for confirmation to conduct the questionnaire.
- Finally, a classroom mental health checklist was created and emailed to staff in preparation for the Safe Guarders to complete next week.

Next steps:

- Gain approval from Mrs Lee and Miss Worley to approve.
- To create a questionnaire to send out to the whole school.
- Create a classroom mental health checklist
