Parent & Carer Update

September 2023

Welcome back to all our schools and their communities, we hope you and your families have had a good summer and that you feel prepared for the start of the new school year.

We are so pleased to be able to welcome learners into our schools and to offer reassurance, following the stories in the national news in the last week about schools having to close because of RAAC (reinforced autoclaved aerated concrete) that we have found no evidence of RAAC on any of our school sites so we are pleased to be open and ready to start the new year.

As the new CEO for Empower Multi Academy Trust I feel privileged to be working with such a great team of schools, with passionate and committed staff. I will be spending lots of time over this term getting to know everyone and look forward to coming out onto playgrounds to say 'hello'.

Attached to this update are details of open events in our schools in the coming weeks.

Happy New term!

Carla Whelan
