Let's Spread Peace

Picture News Christmas Campaign 2023

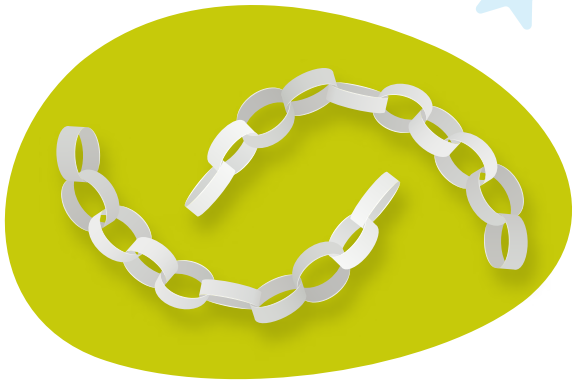

Why do we need peace?

Spreading peace is important for us to be good citizens.

Our world has seen conflict and unrest this year, and sometimes the news can feel daunting.

However, small acts of kindness help us spread peace in our communities and homes, and can make a real difference.

That's why this year, we're encouraging you to make a school peace chain!

Our Peace Goal

We'd love for enough children to create peace chain links to travel a distance equivalent to the distance from John O'Groats to Land's End!

If everyone acts on their peace chain ideas, just think of the impact this will have on communities and the wider world!

Your Peace Chain

It's time to spread peace by making your very own school peace chain!

Remember... big impacts start with small gestures.

cut out your chain link using the template.

draw or write your interpretation of peace

how about a symbol of peace, a compliment, say sorry, give to charity or volunteer

loop your chains together!

What will you do to spread peace?
When will you act on your peace idea?
How far does your school's peace chain reach?
