18th January 2024

Dear Parent/Carer

Several members of the public have brought to the attention of the school that there have been some unsafe behaviours from a minority of the pupils at the school during the transition to and from school. Some of these behaviours include:

- Cyclists weaving in and out of traffic
- Crossing roads at unsafe points
- Running or scooting across roads without waiting for the “green man” or checking at the crossing
- Cycling towards pedestrians on the pavements
- Use of inappropriate language towards members of the public
- Not checking for traffic before crossing the road.

The pupils receive cycling proficiency and pedestrian awareness training as part of the curriculum offer and we kindly ask that if your child walks, scoots, or cycles to school independently, you remind them of the necessity to be safe and respectful when near the road. This message has been reiterated to pupils through an additional road safety assembly.

As always, we encourage our pupils to follow the St George’s Way, being responsible, respectful, and hardworking.

Yours faithfully

Miss Worley

Miss C Worley
Acting Deputy Headteacher
