Dear Parents and Carers,

Both of our schools are receiving an increasing number of emails regarding safety concerns about parking and traffic in our local area. These emails come from residents but also from parents of both schools.

Across Woodfield and St. George's, we actively promote safe travel around our school sites through our newsletters and through assemblies with the children. We also engage with the Safer Schools Initiative, with Shropshire Council, and liaise with local councillors to look at ways to promote safe travel.

As a result of our ongoing discussions, Shropshire Council would like to invite you to a meeting to discuss the transport issues around the schools, particularly on Copthorne Road and Woodfield Road. The meeting will provide an opportunity for parents to give their views on what is happening and what can be implemented by the council going forward to ensure a safe journey to school for everyone.

The meeting will take place in St. George's hall but will be led by Shropshire Council representatives. It will take place on Tuesday 6th February at 4:30pm in. We hope that you will be able to come along and support us to explore ways to make the surrounding areas safer for our whole school community.

We look forward to seeing you there.

Kind regards

Beck Preece
