Differences between Bullying and Bickering

Bickering

Bickering is basically an argument with your friend but you are friends again soon after!

Friendship Stop

- The friendship stop is located by the skipping ropes. There is a sign where children will stand if they need someone to play with or if something is worrying them.
- If you are lonely then go to the friendship stop.
- If you see someone at the friendship stop then you can ask them if they're ok or a Safe Guarder will come and check on you.
- If you're at the friendship stop for a while try and find a Safe Guarder/playground buddy and they will help you and if you can't find a Safe Guarder then ask someone if you can join their game.

Friday Friends.

Every Friday at lunch or afternoon break, **Playground buddies** and **Safeguarders** welcome anyone who wants to join in the games to meet in the adventure playground.

They will teach you lots of fun games but we do **not to play on the equipment.**

Some wear red hats (playground buddy) or purple lanyards (safeguarders) to show who we are.
