

Safeguarding Board Minutes

Date: 26.02.24. 3:30-4:20

- Safeguarders delivered an assembly to the whole school relating to CVIP, bullying and bickering.
- Safeguarders had a meeting with Mrs Stockton:

Mrs Stockton: What is a governor?

"Someone who works with school to make something better."

Why did you want to become a safeguarder?

"To help others"

"To make the school a better place and know that there's always someone to play with."

Tell me about the assembly.

"We taught everyone about the four types of bullying. CVIP, which means Cyber (online bullying), verbal where you are mean to someone's face, indirect where you say something behind a person back or leave them out and physical where you hurt them"

"We talked about the difference between bickering and bullying. Bullying is several times on purpose and bickering is falling out."

What are your next steps?

"We are sending out a questionnaire to see what people remember from our CVIP assembly." This is to be shared with Mrs Stockton, Mrs Lee and parents.

What did you do about e-safety?

"Last year we created a PowerPoint and shared it with our classes."

"This year we focussed on mental health week. We arranged different activities each day which were really popular, so we want to repeat this every week. Sumdog and Just Dance."

What is the best thing about being a safeguarder?

"We help promote the St George's Way."

"Helping others and knowing there's people in different classes to help."

"Being responsible and having responsibilities like the Friday games with the playground buddies."

"Making the school a better place"

"It is a big responsibility, but we are helping others."

"Seeing that other people are happy. The joy on their face"

"Knowing people have someone to talk to."

- Next Steps:
  - Finish the questionnaire and send it out to staff.
  - Parent presentation in Summer term about CVIP.
  - Check results of questionnaire and share with Mrs Lee, Mrs Stockton and parents.
