

Safeguarding Board Minutes

Date: 22.04.24. 3:30-4:20

- Safeguarders discussed what we are doing well as Safeguarders, what we could do even better and next steps.
-
- Mrs Silcock emailed Mrs Worley and Mrs Lee enquiring about the parent workshop to support parents with the acronym CVIP and the different types of bullying.
- Lots of discussion about how to support the other children in our classes and what to do if we see others arguing or bickering. (Offer support, check in, ask for support from an adult)
- New notebooks given to those who did not have one to be able to write down incidences and this will then be reviewed at the start of each session.
- A rota was started for when safeguarders and playground buddies would monitor the friendship stop.

Next Steps:

- To decide and agree a date for the parent workshop
- Safeguarders to bring notebooks each week.
- Confirm friendship stop rota and meet with playground buddies to add to the rota.
- Say hi more on the playground
