AUTUMN 2024/25

Welcome to a new school year!

We hope you've had a lovely summer and your children have settled into their new schools and classes. We welcome all parents and carers of new starters and new teaching staff. To find out more about us see our pages on the schools' websites or follow us on Facebook.

During the summer break we have been busy sourcing and arranging the delivery of our new PTFA shed.

It was supplied by a Shropshire company, Trustwood Bars, who gave us a good deal, including free delivery and assembly.

One of our aims is to provide a facility to reuse pre-loved uniform, raising funds for the schools and reducing waste. We make good condition items available at low cost throughout the year. Our new shed will give us more space to sort and store uniform stock and also provide much needed additional storage for everything else we need for our events.

Our first pre-loved sale of the year raised over £200! Keep an eye on our socials for our next sale date.

Have your kids had a growth spurt?

If you have any outgrown uniform you can donate we would love to have it for our pre-loved uniform sales which are held throughout the school year.

We accept good condition, washed, cardigans/jumpers/t-shirts with school logos as well as non-logo uniform. Please drop it into one of our donation bins which can be found by the main entrance doors to the schools.

Have you labelled their new uniform?

Prevent your child's belongings ending up in the lost property next term by labelling it.
