Year 4 Roman Day – Thursday 19th December

Dear Parents/Carers,

As part of our history learning, Year 4 will be spending the day learning about the Romans in Britain. We would love for all children to really get into the theme of the day by dressing up in Roman attire. As the Celts were in Britain prior to the invasion, Celtic-inspired outfits would also be appropriate for the day.

The day will include an interactive workshop with an actor who is coming in to school to deliver this to all three classes on a rota throughout the day.

They will also be taking part in a range of activities throughout the rest of the day, related to the Romans in Britain topic.

For the workshop, children will need to bring a home-made Roman shield, if possible. If you are unsure about what this may look like or how to make one, please contact your class teacher. We hope this will be a fun activity for you and your child to complete at home.

The workshop will be part funded by the school however in order to run this workshop we would like to request a contribution of £3.00 per child and this will need to be paid on Arbor in the trips section by **Thursday 5th December**.

We are very much looking forward to the experience.

River trip update

We are pleased to confirm that the River trip, that was unfortunately cancelled earlier on in the term due to flooding, is going to be rescheduled for the Summer term so that the children don't miss out on this integral part of their geography curriculum. More details will be sent out nearer the time.

Yours faithfully

A. Jones
