Safeguarding Children and Young People

Our guide for visitors

Thank you for coming to see our amazing school.

We need you to follow our rules to keep us safe.

We are all for looking out for each other and work as a team to keep everyone safe.

Enjoy your visit to our School.

The Super Safeguarders

All the children and the grown-ups at St George's Junior School and Woodfield Infant School and Nursery work to make sure that we all feel safe in school.

Please follow the rules, these are in place to keep you and us safe in our school

When visiting our school, these are some of the things that we need you to do:

- Wear your lanyard at all times.

  Red: This helps us to know you are a visitor in our school and cannot be on your own.

  Blue: These are for our teachers and support staff.

  Green: These are for any first aid trained staff

- Do not use your mobile phone in school. Please lock it away in the lockers in our reception area or leave it in your vehicle.

- Close our security doors behind you, do not let anyone through them. It is polite to hold doors open for others, but not the security ones.

Please be an excellent role model for us all.

- Always walk on the left-hand side of the corridor, this gives us all space to move around safely. We also must walk, please do so too!
- Keep any of your work tools away from us.
- Wear appropriate clothes.
- Be polite, we like to say hello to visitors in our school but don't disturb our learning.

All our adults are friendly, respectful, supportive and kind. We would like our visitors to be the same.

If you have any safeguarding concerns while you are with us, please tell a member of staff immediately.

If a child needs immediate help and you don't have a member of staff in sight, please support the child until help arrives.

We know that you may not know what to look for.

Be aware of any changes in our behaviours.

Any unusual physical marks, cuts or bruises.

If we are upset or look really anxious or worried.

1. Listen to what we have to say - don't interrupt us.
2. Don't ask any leading questions.
3. Reassure us that we have done the right thing to speak to someone.
4. We know that you can't keep it a secret, so don't promise that you will.
5. Be calm and don't judge us.

All our staff look after us, you can talk to any member of staff. If you have any concerns, please tell a Designated Safeguarding Lead (DSL).

Here are our trained Designated Safeguarding Leads (DSL's):

Mrs Lee
Headteacher
St George's Junior School

Mrs Preece
Headteacher
