# 2025/26 SPRING TERM ROUND UP NEWSLETTER

This spring term our new PTFA committee members have been getting properly stuck into their roles and supporting the old committee members. Charlie organised the 'Love in the Mug' event which was a great success despite the awful weather, you may have seen Valeria starring in some promotional reels on Facebook and Instagram, Matt was a fantastic barman at the Quiz and Mair has been working behind the scenes taking minutes at our meetings.

If you would like to find out more about our committee members please watch our short video here PTFA Committee - October 2025

# What have we spent funds on this term?

Woodfield's children will be benefitting from a new opportunity to exercise their imagination, creativity and building skills, whilst practicing perseverance and resilience, with these wooden Kapla planks, a set of which is being purchased for each year 1 class.

In honour of our much loved and missed Chair of Governors, Robin Walker, who passed away last year we used some of the funds to provide a new friendship bench for each school. In the schools' colours and with a lovely message they are a reminder of the cheerful, kind man he was. He was a great source of encouragement and support to the PTFA and helped out at many events.

After the Christmas grottos were cleared away the fitting out and painting of the new pods has continued. We have funded carpet tiles and radiators to enable them to be up and running and to provide a much needed additional learning space all year round for all children to benefit from.

## 'Back to School' Quiz Night success!

Thank you to those who came to the quiz and supported our fundraising whilst making it a great night out. There was some great fancy dress fun!

A massive thank you to our Co-Chair, Charlotte for organising her 4th and final quiz with the help of her partner Mike (the score master) and friend Anna (the quiz creator).

## Welcome Mural

Those of you who use the Woodfield Road entrance to St George's may have noticed the dragon that has appeared on the whitewashed wall.

This new welcome mural is being funded by a grant received from Anwyl Homes with paint and materials donated by Brewers Decorator Centre. Inspiration has been taken from St George's pupils' ideas and Luke, a parent in the school community, has designed and painted it for us. It will be completed very aptly in time for St George's day on 23rd April.

Thank you to Wendy who donated her child's outgrown bike and micro-scooter to the PTFA to raise funds, and also to Sarah who offered us the chance to earn some commission by promoting and selling her books from "The Little Books Collection". The sale of the bike and the books raised a fantastic amount of £130 to add to the PTFA funds!

## Have you got any simple fundraising ideas?

Some of our PTFA members will be stepping down at the end of the summer term so we are looking to increase our simple, passive fundraising options. It would be good to hear from anyone who has any ideas how they or their company could help. Maybe by offering us a sales commission on their product or service if we promote it or by sponsoring one of our events? We reach families of over 600 pupils with our events and emails so it is a great audience!

If you have any thoughts we would love to hear from you
