28th April 2026

Dear Parents and Carers,

We are writing to let you know about an upcoming change to the price of school meals across our Trust.

After careful consideration, the cost of a school meal will increase to £2.65 from the **1st September 2026.**

We fully appreciate that many families are experiencing financial pressures, and this is not a decision we have taken lightly. However, the cost of producing high-quality meals has continued to rise significantly. This includes increases in food provisions, energy, and staffing costs. As a Trust, we have reached a point where we can no longer absorb these additional expenses without affecting the quality of the meals we provide.

To ensure fairness and consistency across all our schools, the new price will be aligned Trust-wide. This helps us maintain equity for all families and ensures that every child continues to receive a nutritious, balanced meal that represents strong value for money.

Our commitment to providing healthy, high-quality meals remains unchanged. Each meal is freshly prepared, nutritionally balanced, and designed to support pupils' wellbeing and learning throughout the school day.

Thank you for your understanding and continued support.

If you have any concerns or would like to discuss this further, please contact the school office.

Warm regards

K Lee
