Dear Parents/Carers,

We will again be teaming up with some of our local services, to offer support for the parents/carers of pupils at Woodfield Infant School and St. George's Junior School. This event offers you the chance to sign up and access some of our local services, on site, at St. George's Junior School. These services offer support for children and families needing help with a wide range of issues including sleep, behaviour, SEND needs, confidence and esteem, parent/child relationships, medical needs and more.

This is a wonderful opportunity to access the following services:

- The Parenting Team
- The School Nurse
- Our school Family Support Worker
- Breathe (bereavement support)

The above services will be on site on **Monday 15th June 2026**, between 9am and 12pm, and you can **book a time slot through the link below by Friday 5th June.**
Appointments will be allocated on a first come first served basis. If your first-choice appointment isn't available, we will offer your next choice.

Community Partnership Sessions- Longmynd Room- Monday 15th June 2026 between 9am and 12pm – Fill out form

The meetings will be held in the St George's Long Mynd demountable (next to the Main Office). During your appointment, you are more than welcome to just pop in for a chat, ask questions or ask for help to find the service you need.

If you require any further information about this event, please feel free to contact myself or the school office for more details.

Yours faithfully,
