TEACHING MUSIC - CHANGING LIVES

Shropshire Music Service is a non-profit organisation employing more than 40 highly skilled, professional music teachers. We visit schools around the county to deliver instrumental lessons, curriculum support, workshops, performances and more.

We deliver consistently excellent teaching, whilst ensuring that financial circumstances are not a barrier to music education. We also ensure that young people have access to performance opportunities and group music making, either in their school or the local community.

Our teachers work within experienced teams, where learning resources are developed to refect the changing needs of students. Safeguarding of children is a priority and all our teachers beneft from regular training in several key areas. Teachers are subject to enhanced DBS checks, suitability to work checks, routine monitoring, and performance management.

Students may be taught individually or in small groups, and lessons usually take place in school during the normal day. Timetables are monitored to reduce the impact this may have on core subjects. We teach most instruments and have a range of equipment for hire. We are also happy to advise parents when buying an instrument, and we work with a number of specialist, local retailers.
