Another great year of fundraising!

Our summer event, The National Festival Circus, was a fantastic, although scorching, event to end the term. Even being one of the hottest they've ever done, the Circus did not disappoint and provided fantastic, fun-filled, family entertainment and enjoyment for those children and adults who braved the heat to watch them. It also raised an amazing amount of money to carry forward into next year's pot to fund some more resources and experiences for both schools. To find out how much funds it raised and to see some photos read on!

Our final fundraiser was held at the Junior Park Run on Sunday when Woodfield & St George's Schools took over! At what turned out to be the highest turnout of runners and volunteers of any Junior park run that week, the children (and some grown ups!) ran, jogged and walked the 2km route with the reward of a cake and a cold drink at the end, offered by our PTFA stall. Well done to all the children in our School Community for participating and also raising some more funds by buying a delicious cake, kindly baked by some of our volunteers. 😀

An update on your PTFA Committee for next year

The current PTFA Committee have spent another year providing the School Community with a wide range of events - see what they were and how much they raised further on in the newsletter. But, after a year of long term committee members attempting to wind down and trying to encourage more of the community to become involved, unfortunately next year any funds raised will be from passive income streams only ie. easyfundraising, Your School Lottery, Name Label commissions etc (see last page for details).

As it stands, we will have a reduced number of committee members next year as two of our long term members are stepping down due to their children changing schools and another two, who have been members for four years, are reducing their involvement.

Unfortunately, given the smaller team, we won't be able to provide all of the events, activities and initiatives the school community have enjoyed in previous years and this will therefore affect the level of future fundraising achievable.

We would like to thank those who have helped us over the last 4 years but as there are so many people we have dedicated a whole page to it further on...

Any future events and activities will only run if someone comes forward to organise them and can arrange the volunteers needed. And any Grants will only be investigated and applied for if someone can spare the time to do this also...could this be you?

Leavers

We wish all the children leaving Woodfield Infant and St George's Junior good luck and we hope they all have a smooth transition into their new schools.

New starters

We look forward to seeing some new faces around Woodfield in September 2026. Did you know there is a WhatsApp group for each class? Email us and we will send you the link to yours. yourptfa@gmail.com.

Don't forget you can still raise funds during the summer! See the last page for our passive fundraising incentives...
