Summer

This is our last one of the year!
We have been working hard to work with St George's Junior School students and to tell you what has been going on.

Here is some leaving words from Lucas:
It has been a honor to inaugurate this program and make the news widely accessible to parents and careers. Now, I will hand off to the the new editor, Jack.

Here is the first words of the new Editor:
I am exited to have the honor of being editor of the amazing safeguarders times!

Pro Social Behaviours

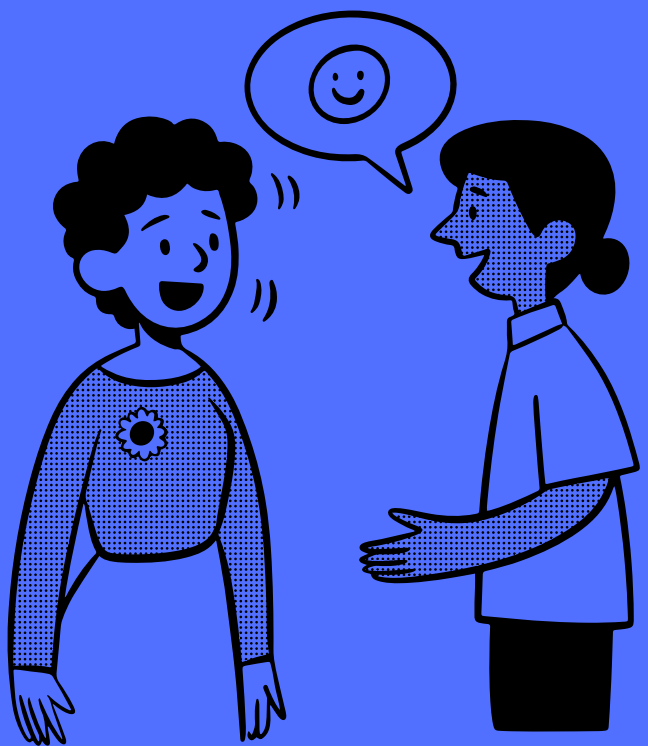

Doing the 5 pro social behaviours will help you to solve problems independently.

1) Tell them politely to stop.

If someone is being unkind or annoying you, then say "Please stop, I don't like it."

2) Tell them to **stop firmly**.

If someone continues to be unkind, say "STOP!" firmly.

3) Walk away and ignore

- Pretend you did not hear them speaking to you
- Do not make eye contact
- Maintain positive body posture (calm confident)
- Think positive self-esteem statements
- Count to five in your head slowly
- Take deep breaths

4) Warn them

Tell them, if they do not leave you alone, you will tell a trusted adult.

5) Tell a trusted adult

If they still do not leave you alone, go and tell a trusted adult and you can have a restorative conversation
